"You can never take too much care over the choice of your shoes. Too many women think that they are unimportant, but the real proof of an elegant woman is what is on her feet."

"Beauty is in the eyes of the beholder. The
more you are willing to let in your heart to
see, the more beauty you'll see. I know so
many people who are the best looking
people who are never happy. Happiness, that's
all, that's love. Happiness. It's so much more
important than just beauty."

"Fashion is a big part of my life. I'm
into the things in the past like a
50, 70 or 80s. I love to see
the things that are old and new.
I love to see the things that are
old and new. I love to see the things
that are old and new."

"A little bird never is blue or once, a flock of magpies. We all need a splash of bird magic. It's happy in its heart, it's persistent in its flight, and it's colorful in its feathers. It's a reminder to be like a bird, to be true to what you are."
