*It's not in words that we can find the meaning of love
It's in the way we look at each other, the way we smile, the way we cry.*

Jay Ujda

There is a lot of love in the world, but it is not always easy to find. It is often hidden in the most unexpected places.

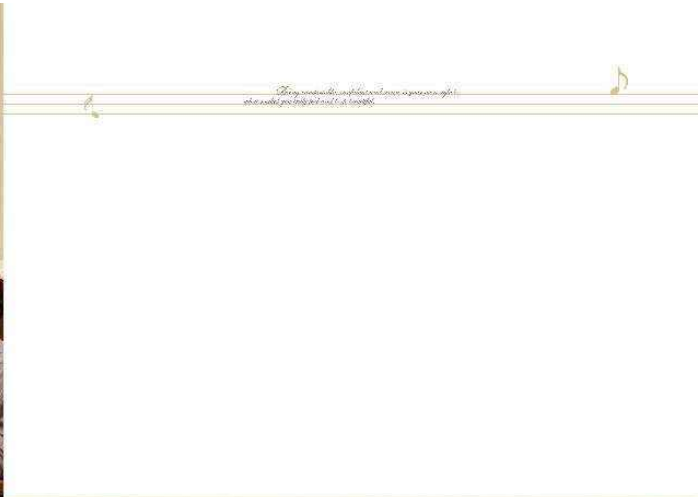

Let's be a part of the music, let's be a part of the music, let's be a part of the music.
