*The love story begins with notes of the gamutam, starts as love
and melody in the air. The music is the light of life and love
and the heart is the soul.*

*It's not in words that we know, but in the way we feel things,
when they're not there, when we're not there, when we're not there.*

Jay Ujda

There is a lot of love in the world, but it is not always easy to find. It is often hidden in the most unexpected places.

Let's be a part of the music, let's be a part of the music, let's be a part of the music.

*Thinking of something is not sufficient for
realizing it. You must do it.*
