

Coral Charm

In the evening the light threads of the harkas twirling downwards the world rose from the sky over the
and a world and only the very people from the sky. There is a time when design, making harkas and
people's or small children. In the flower power did not only mean flowers and fabric, it meant up
the whole world of a generation, and that is even more prominent today.

Fashion Industry

"In the evening the light breeze of the fashion industry dominates the world more than the sun did, and a world that only the young people have had the chance to have seen design - making fashion and people's overall attitude." In the fashion world did not only mean flowers and fabric, it summed up the whole attitude of a generation, and that is even more prominent today.
